PAUL JARAMILLO

3501 Edgecliff Dr., Farmington, NM, 87402 | 505-402-3216 | jaramillo.paul12@gmail.com | www.pauljaramillodev.com

EDUCATION

Bachelor of Science, Software Development | Western Governors University
February 2021 - Present

- **Courses:** Software 1-Java, Scripting and Programming-C++, Advanced Data Management-SQL, Web Development Applications-HTML, CSS, JavaScript
- **GPA:** Equivalent to 3.0 or above, Competency based grading, WGU states that a student passes a course by passing the final assessment with a grade equivalent of B or better or 3.00 grade points on a 4.00 scale.

EXPERIENCE

Projects:

- **Inventory Management System:** Created an application that manages and tracks parts and products for a manufacturing company using Java following OOP principles.

- **Class Roster:** Created a roster for particular classes that track and manage students and their information using C++ following OOP principles.

- **Automated Data Integration/Business Analysis:** Using a PostgreSQL database I performed business analysis and automated data integration for a fictional chain of film rental stores similar to Blockbuster.

- **Profile Website:** I created www.pauljaramillodev.com to showcase my projects using HTML, CSS, and JavaScript.
